## **Good "IDEAS" save U.S. Government Big Money**

- Over \$44 million was saved through the SRS "IDEAS" employee suggestion program last year.
- 6,585 suggestions were submitted (an increase of 58 percent).
- Twenty-one percent of the work force offered at least one suggestion.
- Safety suggestions increased by 56 percent.
- In 2001, the SRS IDEAS program won four national awards.

The SRS IDEAS program converts employee suggestions into significant cost savings.
